Apologies for brief newsletter

On October 18th, I had a right knee replacement. Following this surgery, I had the misfortune to have a disc rupture resulting in two laminectomies and lots of nerve disturbance and some damage.

I spent ten weeks in Epworth hospital whilst the pain management team sought medication to ease the pain with one spinal cortisone injection and another scheduled for this week.

The neurosurgeon is confident that I will make a good recovery.

However, at the moment, I am unable to sit for any length of time or work at a computer, hence a brief newsletter.

To those who sent Arthur and me Christmas and New Year greetings thank you and apologies for not answering.

Robyn
